MACIEK SITKOWSKI

Summary

Front-end developer that has 1 year of experience developing web applications and building websites. Broadens his knowledge by actively contributing to Open Source projects.

Work experience

Bartender/Waiter

Jun 2018 - Nov 2019

Dolphin Bar & Restaurant, Mallorca, Spain

Working in one of the busiest restaurants on the island I became a better team player. Additionally it was a great opportunity to learn Spanish and further improve my English.

Customer Service Assistant

Apr 2017 - Jun 2018

Clothes2Order, Manchester, United Kingdom

Being a part of Customer Service team and talking over the phone with clients from all around the world helped me improve both my communication and collaboration skills.

Production Operative

Jan 2015 - Feb 2017

Marks & Spencer, Castle Donington, United Kingdom

Working for the first time abroad and overcoming the challenges along the road taught me how to quickly adapt to new environments.

Barista/Waiter

Jun 2015 - Oct 2015

Sniadaniownia Restaurant, Warsaw, Poland

In this small restaurant I learned about importance of individual approach to each and every client.

Barista

Jul 2013 - Nov 2013

SO! Coffee, Warsaw Chopin Airport, Poland

Some extremely busy hours at the airport taught me how to organize my workspace well and stay calm even under a lot of pressure.

Certificates

CS50x: Introduction to Computer Science — Harvard University

Responsive Web Design Certification — freeCodeCamp

Algorithms and Data Structures Certification — freeCodeCamp

Data Visualization Certification — freeCodeCamp

Front End Libraries Certification — freeCodeCamp

Education

Warsaw University of Technology

Oct 2014 - Oct 2015

Architecture and Urban Planning
