Front-end developer that has 1 year of experience developing web applications and building websites. Broadens his knowledge by actively contributing to Open Source projects.

Work experience

Bartender/Waiter
Dolphin Bar & Restaurant, Mallorca, Spain
May 2018 - Oct 2019

Working in one of the busiest restaurants on the island I became a better team player. Additionally it was a great opportunity to learn Spanish and further improve my English.

Customer Service Assistant
Clothes2Order, Manchester, United Kingdom
Mar 2017 - May 2018

Being a part of Customer Service team and talking over the phone with clients from all around the world helped me improve both my communication and collaboration skills.

Production Operative
Marks & Spencer, Castle Donington, United Kingdom
Dec 2015 - Jan 2017

Working for the first time abroad and overcoming the challenges along the road taught me how to quickly adapt to new environments.

Barista/Waiter
Sniadaniownia Restaurant, Warsaw, Poland
May 2015 - Sep 2015

In this small restaurant I learned about importance of individual approach to each and every client.

Barista
SO! Coffee, Warsaw Chopin Airport, Poland
Jun 2013 - Oct 2013

Some extremely busy hours at the airport taught me how to organize my workspace well and stay calm even under a lot of pressure.

Certificates
